AMBOY SALOONMEN ARE NOT GUILTY

JURY IN LIQUOR CASE RETURNED A VERDICT LATE YESTERDAY.

WOMAN BLAMED THEM FOR HUSBAND'S INJURY

Court Adjourned Until Tomorrow Afternoon When Sanders May Enter Plea—Will Fight Case

After deliberation lasting over three hours the jury in the case of Mrs. Nettie McGovern vs. Hayes & Loan, Keefer & McCoy and T. J. Lyons of Amboy, which was on trial in the Lee county circuit court this week, returned a verdict at 4:30 p. m. yesterday, holding the defendants not guilty.

The case which terminated yesterday was one which has attracted considerable attention in this vicinity, as it was brought under a new statute which allows recovery from liquor dealers for injuries received by a person while intoxicated, provided, of course the liquor was secured from the defendants.

Broke His Knee.

According to the evidence Charles McGovern, husband of the plaintiff in the case, was locked in the Amboy city jail April 12 last, and while incarcerated there fell and fractured a knee cap. He was incapacitated for some time and Mrs. McGovern has brought suit to recover for the loss of her means of support. She claimed at the time of her husband's arrest that he was intoxicated, the liquor having been secured from the defendants.

The defense, however, introduced the evidence of Night Policeman Barlow, the man who arrested McGovern and other witnesses who assisted in taking him to the hospital after his accident, to prove that the man was not intoxicated. The case took much more time than was anticipated and did not go to the jury until noon yesterday. Attorney W. H. Winn, counsel for Mrs. McGovern, was out of the city today and it could not be learned whether he intends to appeal or not. Attorney J. E. Erwin of Dixon and Attorney Adams of Springfield represented the defense.

This morning Judge Heard adjourned court until 1:30 p. m. tomorrow, when it is thought Warren Sanders may be arraigned to enter his plea to the charge of murder. Although Sanders has not stated what he will answer to the charge, it is understood that he will enter a plea of not guilty, and will fight the case.

NEW TELEPHONE DIRECTORY

A new telephone directory is being printed in the job rooms at the Telegraph and the book will be ready for distribution early in October. It will therefore be necessary for all who want a phone installed and who wish to get their names and numbers listed in this edition of the directory, to give their order prior to October 1st.

SACRED CONCERT AT

PRESBYTERIAN CHURCH

Sunday evening at 7:30 at the First Presbyterian church a special sacred concert will be given. The program will consist of a violin solo, two vocal solos, a vocal duet, piano and pipe organ duet, trio of violin, piano and pipe organ, Dr. Crissman, the pastor, will preach an appropriate sermon on the subject, "The Power and Influence of Music."

LOST VALUABLE COW.

Mr. and Mrs. Tryon Rosbrook of the Bend lost a valuable cow last night. The animal appeared healthy and lively enough yesterday, but on going to the pasture this morning she was found dead. She was valued at \$60.

BASS WERE PLACED IN RIVER YESTERDAY

TEN LARGE CANS FULL OF MINNOWS WERE EMPTIED INTO THE RIVER.

LARGE DELEGATION MET TRAIN

Members of Fish Club Overjoyed at Success of Their Work and Are Loud in Their Praise of Congressman McKenzie.

The Fisheries department of the U. S. bureau of Commerce and Labor was especially generous with Dixon in the matter of large and small-mouth black bass, a shipment of which fish reached Dixon last evening at 6 o'clock over the Central. For instead of getting but three 10-gallon cans of the fish, the fish club received 10 large cans full of the minnows, which next season will be fairly large sized fish, and which will spawn in the spring, firmly establishing the presence of the fish in Rock river.

The government fish car did not come to Dixon, but remained in Monticello. S. P. Bauer, one of the men who is in charge of the car, accompanied the fish to Dixon, the minnows being shipped in large cans in the baggage car.

Fish Club Meets Visitor.

A large number of the officers and members of the Fish club were at the depot when the train arrived and the large cans, containing hundreds of the minnows, were loaded onto a baggage wagon and taken to the river near the Young coal office, where Mr. Bauer took charge of the proceedings. He took the temperature of the water in the cans and also of the river water, to ascertain if it would be healthful to the fish to change them. The result of the test was satisfactory and the contents of the large cans were poured into the river, and the work of the Fish club to stock the river with good bass was completed.

Naturally the members of the club, which was organized for the protection of the fish from unlawful tactics on the part of some fishermen, and to exploit the sport, are well pleased with the success of their movement and they are especially thankful to Congressman John C. McKenzie, whose personal efforts resulted in the fish being assigned to the river here.

S. S. BALL TEAMS CLASH SATURDAY

PUBLIC WILL BE ADMITTED FREE TO GAME AT ATHLETIC PARK.

The members of Ahrens class ball team will meet for their last practice at 5 p. m. today.

On Saturday at 3 p. m. Prof. Anderson as umpire will call the game on Athletic park diamond. The team of Stone's class has been put through severe practice work continuously since their Labor day defeat according to popular report and it's an assured fact that a mighty interesting contest will result.

The public is welcome and no admission will be charged.

DIXON POLICE WARNED TO WATCH FOR THEIR STERLING OFFICIALS SAY MAN WITH STOLEN GRIP CAME TO DIXON.

The Dixon police this afternoon received word from the Rock Falls authorities asking them to be on the lookout for a man who had stolen a grip containing valuable electrical fixtures and tools from a restaurant in that city. The grip was described as a new black case, 18 inches long and brass trimmed. It was said by the Rock Falls authorities that he had taken a car to Dixon but no such man was apprehended here.

GOVERNOR CHARLES S. DENEEN

Who will be in Dixon Monday Afternoon with the rest of the Republican State Ticket in opening speeches of the Lee County Republican Campaign.

PALMYRA BUILDS CONCRETE ROAD

TEN RODS OF EXPERIMENTAL CONCRETE ROAD BUILT BY COMMISSIONERS.

TRYING IT ON RIVER ROAD

Township Is Also Completing Work of Building Big Stretch of Macadam Road—Concrete to Be Given a Thorough Test.

Sterling Gazette: Palmyra township has just completed the construction of ten rods of concrete highway on the river road near the Frank Brauer residence. This is the first concrete highway to be built in this part of the state and it was built with a view of experimentation and there is no question but it will be watched with much interest.

Ten Feet Wide.

The experimental concrete highway at this place is ten feet wide and the formula prescribed by concrete companies for highway construction was used. There is a slight crown, but there are no curbs. It is the belief of the road commissioners that ten feet at this place is wide enough and that it is a splendid place to test the work.

Brick Competition.

The concrete road at the Brauer place will compete with the brick highway just east of the city. Of course the brick highway will receive the hardest travel, but the test will come when the frost leaves the ground next spring. Sterling highway commissioners who were interviewed today on the concrete work in Palmyra stated that they were well pleased that Palmyra took up the work and laid the experimental road. Photos of the concrete road in Palmyra will be taken as well as of the brick road east of Sterling.

Other Brick Roads.

Union Grove township has also called an election to vote bonds for the construction of brick roads west of Morrison. There is now talk in Hopkins township of brick road work, it being the aim of road boosters to construct a permanent highway of brick or concrete or both from the east end of the county to the west end.

Sterling to Take Lead.

Of course Sterling is going to take

the lead in this great project to bring the matter to the attention of the people. It is planned to get out a petition in the near future calling an election for a special issue of bonds for only about \$35,000.

This, with the usual taxation, etc., will probably give the commissioners a total of \$40,000 or more to begin the big plan. The commissioners have not fully decided whether or not they will use brick or concrete, and for that reason a thorough investigation is being conducted by the commissioners.

The Macadam Roads.

The macadam road was an excellent road before the days of the auto. But the advent of the auto has resulted in the wheels picking up the dust and depositing it in adjacent fields, and this continuous action day in and day out is slowly ruining the splendid macadam high ways of a few years ago. Hence it is necessary to find some material that is more useful than macadam for highway construction.

QUAKE DISTURBS ROCKFORDITES

CITY NEAR DIXON WAS VISITED BY SLIGHT EARTH-QUAKE.

Rockford, Sept. 26.—Special to Telegraph—Slight earthquake shocks were felt here yesterday about 12:10 p. m. Many residents of various parts of the city noticed slight disturbances and felt their houses tremble and inquired the cause. In many homes it was noticed that the window panes and dishes rattled, from no apparent cause, and in one or two cases glass was broken and dishes jarred to the floor. In one case a stove pipe was precipitated to the floor and several cakes of ice in refrigerators shifting were reported.

Residents report two appreciable rocking motions followed by slight tremors. At a slight interval after another rocking motion was followed by a single oscillation.

ALASKAN MINE PAYS WELL

Charles Rystrom of Rockford is in Dixon today. He has just returned from Alaska where he and his brother own the controlling interest in a million dollar mining proposition. The mine is now throwing out quantities of fine ore.

PLAN OF BATTLE FOR TAG DAY IS DRAWN

LADIES' AUXILIARY OF Y. M. C. A. WILL CANVASS CITY IN WORTHY CAUSE.

MEMBERSHIP CAMPAIGN STARTS SATURDAY ALSO

Open House Reception Will Be Held Friday Evening—Saturday Will See the Start of Y. M. C. A. Activities.

The members of the Ladies' Auxiliary of the Y. M. C. A. held a meeting at the association rooms yesterday at which they made arrangements for the annual Tag Day Saturday. The different stations were mapped out and a member of the auxiliary, with her assistants, will be at each station early Saturday morning. The cause is a most worthy one and the ladies anticipate liberal support. With an idea of showing appreciation for the contributions that will be received during the day, the management asks that every tag purchaser save the tag, for later in the season a high class entertainment will be given, to which the tag will give free admission.

Reception Friday.

This week-end sees the beginning of the Y. M. C. A. work for the season, for in addition to Tag day, a free open-house public reception, to which everyone is invited, will be given Friday evening and on Saturday the annual membership campaign will be given. At the reception Dr. R. M. Crissman will give an illustrated talk on New York and there will be a number of stunts, many of them numerous, by members of the gym class.

Membership Campaign.

The membership campaign will begin Saturday, in conjunction with Tag day. There will be two teams, the Reds under the captainship of A. T. Sennett, and the Blues led by A. L. Livingston. The campaign will be run on business lines, and in preparation the association has issued a circular showing what can be purchased with a membership, at the cost of \$8. The concrete benefits alone, if paid at the regular prices, would amount to \$42. During the campaign reduced rates will be in force. A regular \$8 membership can be secured for \$7, \$3 down \$1 monthly until paid; a junior membership, the usual price of which is \$3.50, will be offered during the campaign for \$3, \$1 down and 50 cents per month. Special rates will also be made for ladies' memberships. The regular price for ladies is \$2.50 and \$2 to those who belong to the Ladies Auxiliary. During the campaign the prices will be reduced to \$2 and \$1.50 respectively.

SPECIAL SERVICES AT ST. PAUL'S LUTHERAN

On next Sunday at St. Paul's Lutheran church, the fall communion will be held at 10:45 a. m. and 7:30 p. m. The benevolence offering will be made at this time. New members will be received and children may be presented for baptism at the morning service.

Tomorrow evening the preparatory service will be held at 7:30 o'clock. Sermon by the pastor. All members especially should esteem it a privilege to be present at these special services. The annual congregational meeting will be held Monday evening, Oct. 14th.

BULL MOOSE ACTIVITIES.

The local Bull Moose will hold a meeting tomorrow night in Jones' hall, Dementtown. On Saturday evening there will be a meeting in West Brooklyn at which Attorney Clyde Smith and Prof. Dunlap will talk. Prof. I. F. Edwards will make a speech at Cedarville Saturday evening. Cedarville is the home of Jane Addams and the occasion is a home coming.

H. L. Fordham and Attorney J. E. Erwin will make speeches at Rochelle on Saturday night, and on Friday night Attorney Erwin and Prof. Edwards will make speeches in Mt. Morris.

G. O. P. CAMPAIGN STARTS HERE MONDAY

OPENING GUN OF LEE COUNTY'S POLITICAL FIGHT WILL BE FIRED BY DENEEN.

ENTIRE STATE TICKET TO BE HERE

Voters Will Never Have Better Opportunity to See and Hear These Men—Will Stop in Other Towns in Lee County.

The visit to Dixon of Gov. Chas. S. Deneen and the entire list of republican candidates on the state ticket next Monday will be a signal for the opening of the republican campaign in Lee county in dead earnest.

The audience which greets the governor and Lieutenant Governor John Oglesby and Secretary of State Cornelius Doyle and Attorney General Wm. Stead, and Auditor John McCullough, all candidates for re-election, and Andrew Russell, candidate for state treasurer, and Hon. B. M. Chipfield and Hon. Wm. E. Mason, both candidates for congress man at large, will hear some interesting things about the present administrations. They will hear many things that they ought to know and they have no right to vote without knowing.

The local republican committee-men are planning on making a big day of next Monday and it will not only be a big day here but in every town at which the governors' train stops. The speeches here will start at 2:45 p. m. They will take place at the C. & N. W. depot, as the candidates' time is limited.

This will be the only time Governor Deneen will enter the county during the campaign.

The governor's itinerary for Monday in Lee county follows:

Arrive Rochelle 1:05 p. m.—30 min.
Arrive Ashton 1:55 p. m.—15 min.
Ar. Franklin Gr 2:20 p. m.—10 min.
Arrive Dixon 2:45 p. m.—35 min.

On Wednesday, Oct. 2, the candidates will make another trip through Lee county, stopping at Amboy, West Brooklyn, Compton, Pawpaw, Shabbona.

CHICAGO-MILWAUKEE

ELECTRIC IS SOLD

Attorney C. B. Morrison of this city, who is United States District Master-in-Chancery, yesterday sold the Chicago & Milwaukee electric railroad to Harry E. Smith and Norman J. Ford for \$3,250,000.

THIS IS THE DAY THEY GO

"Dictionary Day"—The Distribution Begins—Come Early for Yours—Books Are Ready.

Today is Dictionary Day. Come early and avoid the rush of the wise ones who will seek to take advantage of the Telegraph's offer of a Websterian 1912 Dictionary, illustrated, for six coupons clipped from six consecutive issues of the paper and a small expense bonus.

Judging from the crowds that have been examining the volumes during the last few days, they are going to go like the proverbial hot cakes.

So far the flexible black leather binding of No. 1 style has made that type of book the favorite.

"It looks like a Bible" is what they all say. The comment is justified, as the book is made up of the best print on the best Bible paper. In fact, as the work is almost indispensable, the dictionary should be placed beside the Bible on every bookshelf no matter whether it be five or 50 feet in length. In appearance it is a fit companion volume of the best Bible ever printed.

This dictionary is NOT published by the original publishers of Webster's Dictionary or by their successors.

A dictionary of such commonsense size and compiled in such a comprehensive manner is just as indispensable to the business man as the telephone book or the city directory.

STERLING TO PLAY HERE ON SUNDAY

DECIDING GAME OF THE SERIES WILL BE PLAYED IN DIXON.

STARS AND WEST ENDS WILL DECIDE CHAMPIONSHIP

Both Lineups to Be the Same and Same Umpires Will Work—Large Crowd Coming From Sterling.

Sunday, providing the weather is right, will be the big day of the local baseball season. For at Athletic park the Dixon Stars and the Sterling West Ends will meet for the championship of the two cities. The management of the Sterling team has consented to play the "rubber" here in preference to Morrison or Rochelle, which the Stars offered them, and the agreements were signed last night for this game.

It is stipulated that the same teams that worked last Sunday be on the field, and that the same umpires, Valle and Lingle, work. Neither team has a chance to load up for the contest, and it is further agreed that the winners take the entire gate receipts.

Therefore it is evident that Sunday's game will be some game and that there will be some crowd. The management of the Sterling team has asked for trailers on the 1 and 2 o'clock cars from that city, indicating that a large number of Sterling fans will be here to encourage their boys. Each of the teams has won a 4 to 3 game, and next Sunday's contest will be fully as gamely contested.

STORE IS MOVING.

The fixtures of the Fair store were today moved into the new Utley building on Galena avenue where the store will open for business Saturday.

AUTUMN

The first blush of autumn is tinging the maple. Splashes of crimson and daubs of orange will soon brighten the woods. Here and there a random patch of corn is ruffled by the morning wind. Slopes once luscious and lush, glitter in the hard sun light, and through the stubble the southbound birds pause to glean for random grains. Fat stacks of amber spot the meadows. Clover has lost its purple glow, and hangs a sipped and drooping head. The first wedge of wild geese honk through the high heavens, and vagrant companies of teal and mallard are diving into promising ponds. Night falls with swifter wings, and a faint chill, harbinger of frost, tingles in the starlit air. The peach trees are bare and the orchard ground is scarlet with fallen pippins. The leaves drop in a steady flutter. Splashes of dull gray pattern the turf. The harvest moon rides the roof of the world. Logs crackle and spit in the hearth. The barn is fragrant with winter fodder; the crops are sold; the labor of long months has ended. Peace and quiet rest settle upon the farm.—Herbert Kaufman in Woman's World for October.

Elks' Informal Dance.

The first entertainment of the fall and winter season to be given at the Elks club will be an informal dancing party on Friday evening. This week. The party is for Elks, their families and the unmarried members and their ladies. Good music has been provided for the occasion.

Week End Guests.

Mrs. Vernon Dial and Miss Grace Ousler returned to Dixon last evening after spending two weeks in Chicago at the home of Mr. and Mrs. Murray King. Mrs. King accompanied them to Dixon to be a week end guest at the home of her parents, Mr. and Mrs. C. W. Wolfe.

At Luncheon

Misses Ingrid and Anna Jensen entertained a few friends at luncheon Saturday evening in honor of their friend, Miss Grace Franklin, who will leave soon for Chicago to accept a position in the Federal Building there, and where she will also study stenography.

Guest of Mrs. Yates.

Mrs. Chas. Rinker and daughter, Glennie of Minneapolis and Mrs. Maud Wrenn of Chana are guests at the home of Mrs. H. W. Yates, North Dixon.

Chautauqua Circle.

The North Dixon Chautauqua Circle has been re-organized. The circle met Tuesday evening at the home of Prof. Baldwin. They took up the regular chautauqua reading course for 1912 and 1913 at this meeting. A scramble tea was enjoyed after which a literary and social program followed.

Chicken Dinner.

Mrs. Moesholder entertained a few ladies at her home south of town yesterday with a chicken dinner, the guests going to the home in a hay rack.

For Miss Seavey.

Misses Bessie and Blanche Ripley entertained with a pre-nuptial party yesterday afternoon at their home at Assembly park for their friend, Miss Emma Seavey, a bride-elect of the autumn. The entertainment was a miscellaneous shower and the guests were school friends or classmates of Miss Seavey during her school days. Pink and white asters were the decorations, being profusely used. A dainty luncheon was served and a happy time enjoyed by all. The guest of honor received many handsome gifts.

To Attend Graduation.

Miss Florence Drew went to Chicago this morning to be a guest at the Garnsey home and visit with her cousins. This evening Herbert Drew will graduate from the McFadden school of physical culture, the graduation taking place this evening and the exhibition to be held tomorrow evening.

Motored to Dixon.

Mr. and Mrs. Sunday and guests of Franklin Grove motored to Dixon Wednesday.

Dance Greatly Enjoyed.

The dancing party given last evening in the large hall in the first floor of the new Utley building on Galena avenue by Mr. and Mrs. Henry Noble, Mr. and Mrs. John Forrest Jr. and Gordon Utley was an unusually enjoyable affair, about 125 couples attending.

The Marquette orchestra furnished excellent music for the happy event, this popular musical organization receiving many encores.

The dancing party proper was given on the first floor, where the guests were received by Mr. and Mrs. Forrest Jr., Miss Forrest, Mr. and Mrs. Henry Noble, Gordon Utley and Mrs. Stephenson of Galena, sister of Mrs. Forrest.

In the room below the first floor a lounging and smoking parlor, prettily decorated with Japanese lanterns, rugs, etc., furnished a retreat for the tired dancers, where they were refreshed with delicious punch throughout the evening.

On the third floor a most appetizing luncheon of chicken patties, sandwiches, pickles, coffee, cake and orange ice was served.

Dancing was enjoyed till past midnight and it is said to have been one of the most successful social affairs of the autumn season.

Among the out of town guests in attendance were V. A. Matteson, LaSalle; Judge Heard, Freeport; Mr. and Mrs. Pearl Herrick, Polo; Mrs. Griffin, Salt Lake City; Miss Pauline Utley, Sterling; Mr. and Mrs. Wm. Philpott, Minneapolis; Miss Lucia Morris, Portland, Ore., and Miss Emma Canterbury, Chicago.

Surprise Friends.

A large number of friends and relatives of Mr. and Mrs. Lawrence Ward gathered at the depot this morning to give the newly weds a good send-off on their wedding trip. They were badly fooled, however, as the bride and groom had hired an

automobile and had gone to Dixon to take a train to Chicago.—Sterling Gazette.

Social Friday Evening.

CHICAGO HOURS: ALL DAY TUESDAY.

When Style and Economy Go Hand in Hand

Every woman wants to buy the best. This has been our inspiration in selecting fall stocks for our women's wear department.

It is the chief reason why we have adopted Wooltex coats and suits and skirts as leaders.

In Wooltex garments we are able to show styles which are the latest and best that Paris has produced.

The happy union of Wooltex style with pure-wool fabrics and the best tailoring that America knows, puts Wooltex garments on a quality basis which no other makers of women's wear have attained.

Its always economy to buy the best—and in Wooltex you get the best at prices as low as you must ordinarily pay for ordinary garments.

Don't wait—come while the selection is at its best.

Winter Is Coming

The Days Grow Shorter

Nature moves in cycles. Therefore, those incidents of our daily lives which have to do with Nature, occur with approximate regularity.

A few months ago your electric light bill grew beautifully less in proportion to the increased hours of daylight. The shrinkage was augmented by the departure of various members of the family for vacations, by your enjoyment of the long, dusky evenings on the porch and by numerous other causes which make electric lights less necessary during the summer months.

Likely enough, when you paid your electric light bill last month you noticed how these same natural causes are once more at work in inverse order, forcing your bill back to normal winter figures.

Or you will notice it this month. And when you do just think of the added hours you are using lights—think of the added pleasure and comfort and the greater safety that follow the free use of electric current during the gloomy winter season.

And remember that your pro rata expense is the same—that it costs no more to use your electric lights or electric appliances at one season than it does at another.

The housewife who saw drudgery disappear when electric labor saving appliances came into her home, never thinks of losing their advantages during the winter months, simply because more electric current is used for lighting. She knows they cost her no more to use and are equally essential to her comfort.

The freer use of electric lights makes winter more pleasant and new pleasures and satisfaction follow the introduction of each electrical appliance into your home.

The only advice in the use of current for light or to operate appliances is advice that will suggest itself to you—DON'T WASTE THE CURRENT. SNAP IT OFF WHEN IT ISN'T NECESSARY.

Dementtown

Early risers tell us there was a beautiful mantle of white frost over the earth this a. m. Again we must feel thankful for the very early risers.

Hard coal is going to be much higher this winter.

Muggsy McGraw, leader of the New York Giants, is going to take his players into a forest and put them to chopping trees, in order that they may be able to hit Wood in the coming world series.

Rochelle physicians are puzzled over a case in which a woman was bitten by a spider and now she can't talk. It is hereby agreed that many after reading the above will remark that a woman who can't talk would puzzle anyone, even if that one was a doctor.

Have you had occasion to notice the joyous expression which plumbers and coal men are wearing?

Perfect contentment has been characterized as the first stage of fatty degeneration of the brain.

A housewife hint says: To prevent fruits you can from forming mold, put a layer of absorbent cotton in the mouth of each jar or can. Any mold that may form will then cling to the cotton.

But wouldn't the average person just as soon have the mold as to have to stop eating frequently to pick a bunch of cotton out of his face?

Almost everybody likes red hair—on someone else.

Very few newspaper men have been arrested for speeding their automobiles.

There are more varieties of progressives in the country than there are of pickles.

Wise Child.

The small daughter of a Dixon physician, who evidently has an eye to business, told her mother in no uncertain terms that she must call at once on some new neighbors.

"And why must I call on them?" asked the mother.

"Well, in the first place," said little Miss Up-to-Date, "they've got three of the sickliest looking children you ever saw, and the mother herself don't look very strong."

ARMY ON BORDER TO AVERT TROUBLE

Says Americans Will Be Protected From Attacks in Mexico.

HERE ON INSPECTION TRIP

Commander Declares That Uncle Sam Is Doing All That Is in His Power to Quiet Fears and Save Property.

Chicago, Sept. 26.—Maj. Gen. Leonard Wood, chief of the United States army, came to Chicago to inspect Fort Sheridan and the army headquarters here, this being the first important stop in a country-wide inspection trip which he is beginning. The general spent most of the day at Fort Sheridan.

The commander talked briefly about the Mexican situation. He was guarded in his statements and would not venture an opinion as to what might develop as a result of the present uprising in Mexico.

"We are strengthening our forces along the border," General Wood said. "We are doing this to preserve neutrality, and to quiet the fears of the Americans who live along the border line. Many of the people who live near the border have been frightened because of the roving bands of Mexicans, and we aim to place enough soldiers there to preserve order."

Prepared for an Emergency.

"We now have six regiments of cavalry, one and one-half regiments of infantry and some field artillery scattered along the border. We will strengthen their forces whenever we think it is necessary. All we are trying to do is to preserve neutrality, and to be ready for an unexpected emergency. I cannot say what I think may develop in Mexico, but we will be ready to protect American citizens if they are in danger."

Madero in Peace Move.

Mexico City, Sept. 26.—A new movement to obtain peace in northern Mexico was made when President Madero and his cabinet instructed the minister of war to offer amnesty to the followers of Pascual Orozco, the rebel leader.

Stringent measures such as the government's recent suspension of constitutional guarantees and the execution of numerous rebels failed to have the deterrent effect expected by the government. The revolution in the north, which two months ago was confined principally to the state of Chihuahua, has spread to Sonora, Coahuila and other states.

Madero Asks for War Fund.

President Madero has sent to congress a message requesting an appropriation of 20,000,000 pesos, or the authorization of a loan for that amount, to be used in conducting the campaign against the rebels. It is believed congress will either make the appropriation or authorize the loan.

FIRST GAME IN GOTHAM

World's Series Will Begin on October 3.

New York, Sept. 26.—The opening game of the world's baseball series will be held in the city on Tuesday, October 8. The games will alternate between here and Boston, one game in each city, until the series is concluded.

The Boston club will control the sale of tickets in that city. This is a victory for Ban Johnson in the American league.

The umpires selected are: National league, Klem and Rigler; American league, O'Loughlin and Evans.

The toss of a coin decided which city was to get the opening game.

WARRANT FOR J. R. NUGENT

Wilson Foe to Be Arrested as Result of Primary War.

Newark, N. J., Sept. 26.—As an outgrowth of a wrangle at the polls here a bench warrant was sworn out for James R. Nugent, chairman of the Democratic county committee and son-in-law of former United States Senator James Smith, Jr., who was defeated in the primaries. The warrant charges assault, carrying concealed weapons and rescuing prisoners from the custody of the law. Mr. Nugent was Democratic state chairman until ousted after a contest with Governor Wilson.

Deny Rebellion Rumors.

New York, Sept. 26.—Rumors which have been current recently in the Spanish-American colony here of plans for a series of new revolutionary movements under the guidance of Castro in Venezuela, Zelaya in Nicaragua and Diaz in Mexico are denied by the three ex-presidents in cabled statements published here.

Slides Menace in Panama.

Panama, Sept. 26.—Culebra cut hill-slides are slipping into the canal again. More than 1,000,000 cubic yards of earth moved slightly and it is feared that serious slides will result.

Peruvian President Inaugurated.

Lima, Peru, Sept. 26.—Guillermo Billinghurst, who was elected president of Peru in August, took the oath of office. He succeeds Augusto Leguia and his term extends to 1915.

PAPE'S DIAPEPSIN REGULATES STOMACH

TIME IT! IN FIVE MINUTES THE GAS, SOURNESS, HEARTBURN, AND INDIGESTION MISERY IS GONE.

Do some foods you eat hit back—taste good, but work badly; ferment taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so that you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition, so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

REACH HEIGHTS OF LUXURY

Good Reasons Why the Newest Ocean Liners Are Referred to as Floating Palaces.

While the first photograph of the new steamship Titanic received in New York shows a ship in most respects like the Olympic there is a pronounced difference in the deck, or what is on the Olympic the lower promenade deck. On this deck on the new ship there is no public promenade at all.

Instead the staterooms are brought out flush with the outside of the superstructure, and the rooms themselves made much larger. The sitting rooms of some of the suites on this deck are 15 by 15 feet, in fact, this deck is the most luxurious of the vessel.

The restaurant is much larger than that of the Olympic and it has a novelty in the shape of a private promenade deck on the starboard side, to be used exclusively by its patrons. Adjoining it is a reception room where hosts and hostesses may meet their guests before going into the restaurant.

The biggest novelty in two private promenades connected with the two most luxurious suites on the ship. These suites are about the most expensive ever installed on a ship so far as the passenger is concerned. It will be possible for the occupants to be just as exclusive on shipboard as in their own homes.

WHERE DOCTORS FAILED TO HELP

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.

Covington, Mo.—"Your medicine has done me more good than all the doctor's medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."

—Mrs. JENNIE GREEN, Covington, Mo.

How Mrs. Cline Avoided Operation.

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation."

"I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon."

"Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles."

"I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."

Returns from Texas.

Mrs. Susanna Hamilton has returned from Blessing, Texas, and is the guest of Mrs. Mary Egler at 915 W. Second street.

Students' Social.

The Y. P. S. C. E. of the Presbyterian church will give a Students' social in the church parlors Friday, Oct. 4. The social is for every student, college or high school, in the city.

Guild to Meet.

The members of St. Agnes Guild will meet with Mrs. Z. W. Moss tomorrow.

For Miss Morris.

Mrs. C. B. Morrison will entertain at the Warner cottage tomorrow for Miss Lucia Morris.

For Miss Utley.

Mrs. H. U. Bardwell entertained this afternoon for Miss Pauline Utley of Sterling.

Miss Morrison Entertains.

Miss Lucille Morrison entertained the members of the Invincible club this afternoon at her home in Bluff Park.

Hallowe'en Party.

The members of the Invincibles will give a Hallowe'en dancing party on Hallowe'en night in Odd Fellows hall.

Guest of Mrs. Moyer.

Mrs. Nellie Long and daughter, Ruth, of Decatur, came last evening to visit Mrs. Long's mother, Mrs. Mary C. Moyer.

Guest at Luncheon.

Miss Merle Guynn of this city was the guest of honor at a luncheon given for her by Mrs. Wesley Rife of Sterling yesterday.

Ideal Club Meeting.

The Ideal club met yesterday afternoon with Mrs. Rodney Ayres at her pretty country home, with 14 members present. After roll call two very interesting papers were given on the topic "Literary Women of the Present Time." One paper was ably given on this subject by Miss Elizabeth Hiller and Miss Carrie Smith also gave an instructive paper on the same subject. Mrs. K. J. Reed entertained with a piano solo and the hostess served appetizing refreshments. The club adjourned with the next meeting to be held two weeks from yesterday, with Mrs. Will Peterson.

Return From Trip.

Mr. and Mrs. E. T. Leith returned last evening from a trip to New Orleans and Memphis. On the trip they visited in Effingham county, Ill., among the scenes of their childhood with relatives and friends.

Indoor Picnic.

A most delightful occasion was the indoor picnic yesterday at the beautiful country home of Mrs. Mary Moss holder.

A sumptuous dinner was served, after which an impromptu program was greatly enjoyed. The hostess is a well known reader and gave several of her choice selections, to the great delight of her audience. Mesdames Parker and Read sang a number of songs and other members of the party gave evidence of hitherto unknown ability as entertainers. The picnic is one long to be remembered and was one of a series of entertainments planned for the winter season by the ladies in attendance. Those present were Mesdames Alderfer, Brown, Burright, Dollmeyer, Eastman, Fein, Fellows, Fletcher, Grant, Green, Harned, Heckman, Huber, Kennedy, Lewis, Myers, Mossholder, Mitchell, Parker, Rupert, Read, Stewart, Simonson, Weize, Wernick and Youngmann.

Mr. and Mrs. J. P. Rhodes, West First street, left last week for an extended visit in Iowa and Dakota.

HOME HEALTH CLUB.

Auto-Intoxication Concluded.

In this, the last article on this subject, to show the practicability of the home treatment, an actual case will be cited. The following letter was received from a reader of these articles:

Dear Doctor:

Your advice to invalids seems so sensible I am writing to you for the best you give to a discouraged, emaciated woman. I am five feet tall, weigh 94 pounds, and am 42 years old. I have suffered from what the physicians call dyspepsia, intestinal indigestion, with mal-assimilation. I am very nervous, but of course non-assimilation of food is causing starvation of nerves and tissues. My meals sour badly about two hours after eaten and at this time I get extremely nervous. I have alternate attacks of constipation and diarrhoea. Constipation, however, is the more prevalent. I do not sleep after 4 a. m. Have exceedingly poor circulation in hands and feet, especially in the latter. There is a great deal of irritation in my mouth and entire alimentary canal. There are cankers in the mouth and it seems as if it had been scalded. When my bowels do move naturally there follows a feeling of extreme distress and exhaustion all through the abdomen. How can I obtain your lectures on obesity and leanness?

Mrs. H. B. S.

Dyspepsia, with intestinal indigestion, although an ailment quite severe, can be overcome. Your condition has gone unchecked so long until now your case is one of severe auto-intoxication, which results from poisons from the intestinal tract being absorbed into circulation. Your food is being not properly acted upon by the juices of the stomach, passes into the intestines in an unprepared state, where it begins to undergo fermentation and decomposition, forming gases which distend the intestines, causing distress. Canker sores in the mouth are common; at times urinary troubles occur. In their effects upon the nervous system these same poisons cause insomnia and depression, that presage nervous prostration.

The first thing that suggests itself is a thorough flushing of your entire alimentary canal, so as to rid the whole tract of all fermenting and decaying debris. When this is done the system begins to throw off poisons that are in the blood into the intestines, which is the natural channel for their elimination.

Cathartics—You might think that taking an active cathartic would be all that is necessary, but no. Active cathartics exhaust the system and leave the person feeling weaker after their use than before. Don't use them.

Colon Flushings—Colon flushings or high enemas are the best means of cleansing the intestinal canal. This does not leave a depressed or weak feeling as do the cathartics. Colon flushings or high enemas taken with a two or three quart fountain syringe, and a soft rubber colon tube about two or three feet long, the first of these flushings to be taken with soapy water, heated to a temperature of about 99 or 100 degrees F. Since your case is a nervous one, I would advise you to take the flushings daily for three or four days. By this time the entire intestinal tract will be thoroughly cleansed.

Fast—in the meantime you must eat very little, if any food. In fact I advise you to take a seven day or ten days' fast, and you might as well begin it when you begin the colon flushings. You will probably experience a feeling of hunger for the first two or three days, but this will soon pass off. Your fast should be absolute, taking nothing but plenty of water.

After you have taken three or four of the colon flushings skip a day, and then take ordinary rectal enema every day during the fast. These are to keep the bowels active so that the poison which is being constantly thrown into the bowels will be carried off.

During your fast you must take moderate exercise out of doors, and make deep breathing exercises. Pathe regularly every day is water that is best suited to you. This will keep the skin active, which is necessary.

Breaking the Fast—The most difficult part of the treatment now comes—the breaking of the fast. This must be done carefully and properly, or harm may be done. And no person unskilled in matter of diet and especially those unused to fasting should attempt to cure any condition by fasting without specific di-

LOTS OF BEAUTIFUL, SOFT, GLOSSY HAIR--- NO MORE DANDRUFF--25 CENT "DANDERINE"

Hair Coming Out?—If Dry, Brittle, Thin or Your Scalp Itches and Is Full of Dandruff—Use "Danderine"

Within ten minutes after an application of Danderine you cannot find a single trace of Dandruff or a loose or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you will actually see new hair, fine and downy as first—yes—but really new hair—growing all over the scalp.

A little Danderine will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove to yourself tonight—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—fact's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

Ready to Lay Roofings

Don't delay getting your roofs ready for winter. Don't wait until cold weather, no ready roofing goes on as well in cold weather.

We have 6 or 7 different kinds of roofing at from 70c to \$2 per 100 square ft. Try Amatite—its very heavy and needs no paint.

Some years ago Dr. Alexis Carrel, an English scientist, showed that the various organs and tissues taken from a living organism can be maintained in a live state for a more or less prolonged time by placing them in a suitable medium at the right temperature, and that such tissues may even grow for several days. His results have been contradicted by other authors, but more recently Dr. Carrel has achieved even more striking results. By taking the preparations out of their nutritive medium at the right time and transferring them to another medium consisting of three parts of the normal plasma of the animal in question and two parts of water, and repeating the operation at proper intervals up to as many as nine times, he finds that the connective tissue shows great activity, even as long as thirty-four days after its removal from the body.

DIXON COLLEGE NOTES

Rev. Whitcombe, Rector of St. Luke's Episcopal church, led the chapel exercises Tuesday morning. All were pleased to have him with us, and hope he may come often.

Miss Ada Hardesty, who was a member of the faculty last year is visiting at the College for a few days. Miss Hardesty has a good position in Chicago where she makes her home.

The Woman's Relief Corps members were present in chapel Tuesday morning and gave the student body and faculty a very pleasant surprise in the presentation of a beautiful U. S. flag. Mrs. John C. Kennedy made the presentation in a few well chosen remarks, followed by Mrs. H. C. Dixon, president of the Corps, who gave a very interesting talk on the success of the work, etc. The student body and faculty appreciate this kindly remembrance on the part of the ladies of the Corps more than can be expressed in words and hope the ladies may come to the College often. Those present were: Pres. Mrs. H. C. Dixon, Mrs. Finkler, Mrs. Ivan, Mrs. John C. Kennedy, Mrs. Hefley, and Miss Hefley, Mrs. King, and Mrs. Burridge.

Professor Neighbor, the city and county surveyor, invaded the east one half, two squares, or blocks, of our beautiful campus on Monday, with his accoutrements, and surveyed it, staking it out into lots and laying out the streets, etc. He assured us that he disliked very much to do so and that it made him feel badly to see this beautiful spot cut off from the College Campus and laid off into lots preparatory to the erection of homes thereon. He said that he would be glad to see it remain in its present condition as a park. In this way the college would not miss it materially, and it would be a fine acquisition to the public improvements of the city. WHAT IS THE MATTER WITH DIXON? Does it not know a good thing when it sees it? Is it going to let this opportunity slip? Are they waiting for the other fellow to think and act? Way do not those at the helm take action in this matter?

The following letter from one of our graduates of the commercial teachers' course of last year speaks for itself. The writer completed the course at the close of the last school

year and was elected before the close of the same to his present position as a teacher of commercial branches in the high school at Mandan, N. D. at a salary of \$89 per month for 10 months.

Mandan, N. D., Sept. 19, 1912.
Mr. & Mrs. Jas. A. Farrell,
Dixon, Ill.

Dear Friends:

As it is some time ago since I left Dixon college and all the old friends I begin to feel it my duty to write a few lines. I think very often of you, Pres. I. F. Edwards and others with whom I spent the year. I can hardly realize the fact that I have gone so far from Dixon and have been here so long.

In telling something about my work, will say that I am well started and like everything. Will soon have taught a month. How time does fly! I teach the following: Ellis and R. & W. bookkeeping, penmanship, spelling, shorthand, typewriting, physical and commercial geography and commercial law. Two of these come in the last semester. So you see I am kept busy, but I think it serves me right because I sometimes think I indulged too much in campology last year. Everything is fine and I feel grateful for having been located here. I have a private class in shorthand from four to five, making my total salary about \$90 a month.

Mr. Love, our city superintendent, and Mr. Bear, our principal, are the finest gentlemen with whom to be associated and the work is really pleasant.

I have 20 students in penmanship and spelling, 12 in bookkeeping, 7 in shorthand. All are good workers and are making rapid headway. We have daily recitations in each of the branches. I have a good boarding place and the environment in and out of school is good.

We have three days off for fair this week. The fair consists largely of a western show and races by Indians and cowboys. The school children and faculty took part in the parade and are entitled to complimentary tickets.

I suppose a good many of the old students are back in the business department. Give them my regards and tell them to come to the best. Be sure and keep that "Abe B" hard at it and tell him to cut out the cam-

pus course. Miss Koch was located in Kansas.

Hoping to hear from you soon and wishing Dixon college the best of success, I am with regards,

BILLIE BUBBERS.

"Does you 'member dat dawg I used to have?" asked Mr. Erastus Pinkley.

"Yes," replied Uncle Raspberry. "You means dat mixed dog?"

"He was kind o' mixed; he was what I calls a black-an'-tan-dale terrier. Well, suh, dat dawg ain' brought me nuffin' but bad luck. I sold 'im to a man for two dollars, an' de two dollars he slipped me were counterfeit."

"What you gineter do?"

"What kin I do? If I shows 'im any way to prove de transaction was unlegal, he's gineter make me take de dawg back."

Special Demonstration

and Sale on GREAT MAJESTIC RANGES

ONE WEEK
ONLY

SAVE \$8.00

As a special inducement during our demonstration week only, with every MAJESTIC RANGE sold (prices always the same) we will give free one handsome set of ware as illustrated here.

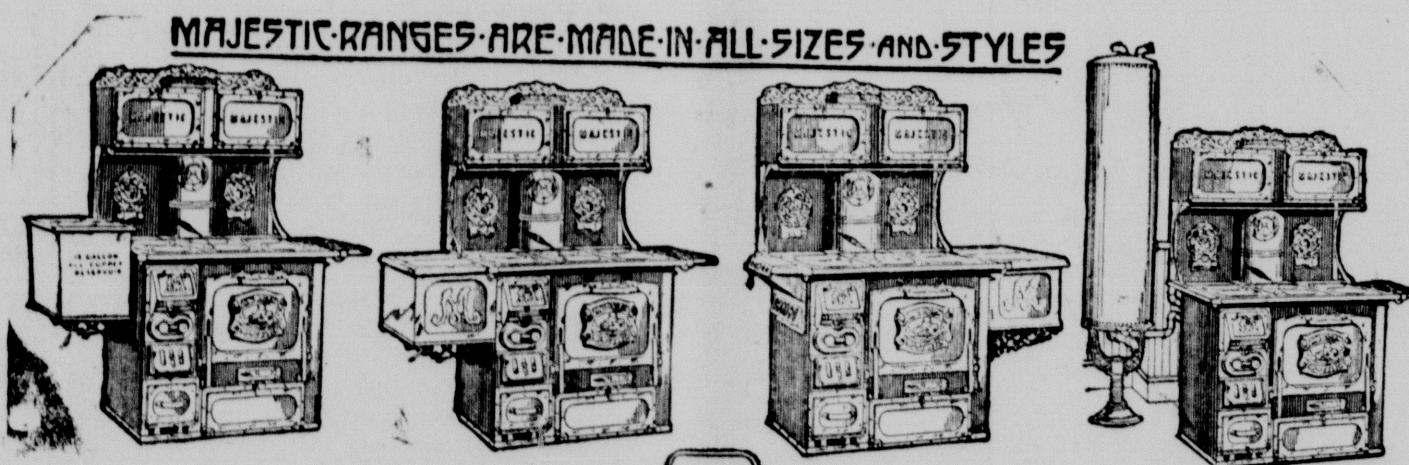

Every piece of this ware is the best of its kind. Not a piece that is not needed in every kitchen. It cannot possibly be bought for less than \$8.00. This ware is on exhibition at our store. DON'T FAIL TO SEE IT.

SPECIAL

All during this week a demonstrator direct from the MAJESTIC FACTORY will be glad to show you "ALL ABOUT RANGES"—SHOW YOU why the MAJESTIC is the best range on earth at any price.

COME, IF YOU INTEND TO BUY OR NOT

EDUCATION lies in KNOWING THINGS—KNOW why the oven of a range is heated—KNOW how the water is heated—HOW the top is heated—WHY the MAJESTIC uses so little fuel—KNOW how a range is made inside and outside. This education may serve you in the future. DON'T OVER LOOK a chance to KNOW THINGS shown by one who knows COME

MAJESTIC RANGES ARE MADE IN ALL SIZES AND STYLES

MAJESTIC NEVER-BURN COOKER
STEAMER-CULLENDER AND DRAINER
HEAVY STAMPED IRON MARBLEIZED
KETTLE—18 OZ. ALL COPPER TEA KETTLE
14 OZ. ALL COPPER
COFFEE POTHEAVY MARBLEIZED PUDDING PAN
1 LARGE NEVER-BURN WIRED
DRIPPING PAN, 2 SMALL NEVER-
BURN WIRED DRIPPING PANS
2 SMALL DRIP PANS—
CAN ALSO BE
USED AS
ROASTER

Which Shall it be?

Do you intend to continue laboring, burning valuable fuel and destroying high priced food with that old worn-out cook stove? You know that old stove eats up a lot of fuel each year. You know you have trouble in getting it to bake just right, in fact, spoil a batch of bread every once in a while—you know it costs considerable for yearly repairs. Stop and think and figure. Wouldn't it pay you to buy a good range—a range with a reputation—

The Great Majestic Malleable and Charcoal Iron Range

You make no mistake in buying the GREAT MAJESTIC—it's the range with THE REPUTATION—ask your neighbors. Then, too, it's made just right and of the right kind of material—MALEABLE AND CHARCOAL IRON—riveted together practically air tight—lined with pure asbestos board—parts being malleable can't break—has a movable reservoir and an oven that don't warp—that's why the MAJESTIC uses so little fuel, bakes just right every day in the year (browns bread just right all over without turning), heats 15 gallons of water while breakfast is cooking—properly handled lasts a lifetime, and costs practically nothing for repairs.

Don't buy the range you expect to last a lifetime "unsight unseen;" you'll be sure to be disappointed. Come to our store during demonstration week, see the GREAT MAJESTIC—have its many exclusive features explained—find out why the MAJESTIC is 300 per cent stronger than other ranges where most ranges are weakest.

Don't Overlook the Date. This is a Special Invitation to YOU and YOUR FRIENDS and NEIGHBORS.

POULTRYMEN'S FAIR WILL BE NEXT WEEK

FIRST BAZAR OF SEASON WILL BE A GOOD EXAMPLE FOR THE REST.

The first bazar of the season will be put on next week at Rosbrook's hall under the auspices of the members of the Dixon Poultry association. At a meeting of the association members last evening the final arrangements were completed and the committees to look after the details were appointed. The bazar will continue the entire week and with the program as outlined it promises to be a week of social enjoyment to all who attend.

The dance floor is to be put into first class condition for dancing and with Slothower's orchestra of six

pieces furnishing the music there will be no occasion for a dull moment. The bazar being given by "bird men" they have arranged to give away several pounds of poultry as well as candy during the week.

The bazar is being given by the association in order to get money in the treasury in order to meet the expense of holding the fifth annual exhibition of poultry in Dixon the week of January 13-18. It is desired to make this one of the greatest exhibitions to be held in this locality this season and with the proper encouragement afforded the boys at the bazar will no doubt realize their expectations. This show will be advertised extensively and will be a good thing for Dixon.

VAUDEVILLE AT DIXON OPERA HOUSE

FINE VAUDEVILLE FRIDAY, SATURDAY AND SUNDAY NIGHTS OF EACH WEEK—GOOD PLAYS ALSO—THE THIEF TONIGHT.

The latest innovation in theatrical circles in Dixon, and one that will greatly please the Dixonites, is the announcement of vaudeville at the Dixon opera house.

Beginning tomorrow, Friday, night and on Saturday and Sunday evenings of this week, and the corresponding nights each ensuing week, fine vaudeville acts as well as moving pictures, will be staged at the opera house.

The management of the opera house realizes that in order to assure the success of the venture it will be necessary to stage only the very best and highest class acts, and they assure us that this will be done.

In fact they back up their announcement with proof of their desire to give Dixon something better than ordinary and they will follow up this evening's extraordinarily fine production of "The Thief" with a couple of the highest class vaudeville acts that have ever appeared in Dixon, to be here the rest of the week.

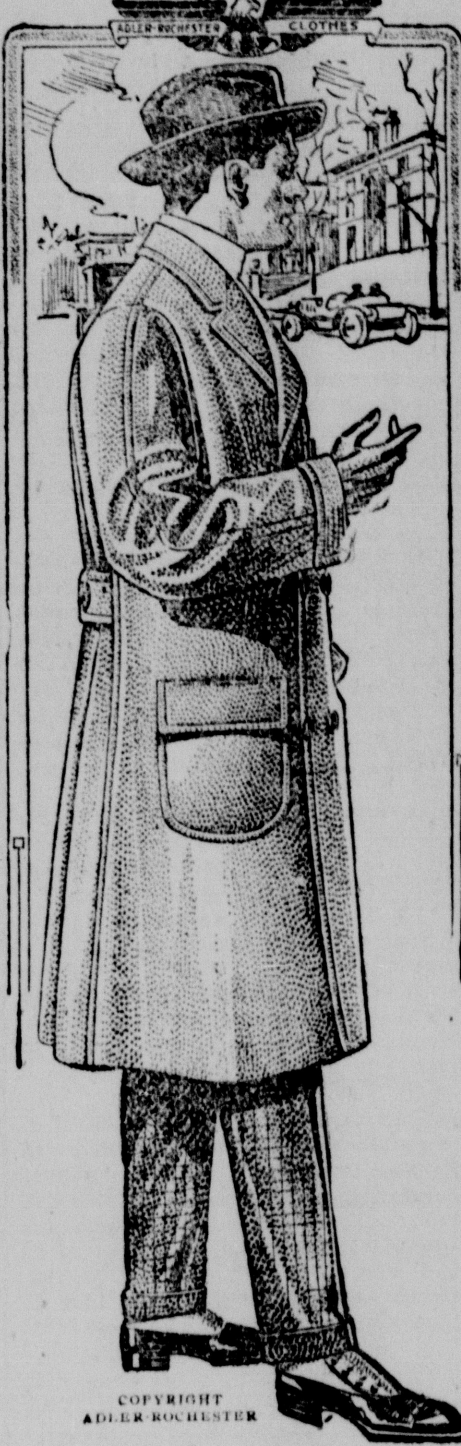

Carroll, Chatham and Keating, presenting a little comedy, "At the Crows Nest Inn" and the Five Musical Lovelands, instrumental and vocal artists of highest class, in addition to the two extra reels of pictures will undoubtedly delight everyone.

The three vaudeville nights each week will not interfere with the good road companies that are booked for Dixon in the least, and fine plays of various descriptions will appear here weekly throughout the winter.

Watch the Opera House ad on page 8 for changes of vaudeville bills and new plays coming.

"The Thief" tonight is one of the very best shows on the road.

"Dixon's Biggest and Best Clothing Store."

IT is not so many years ago that we had one of the smallest stores in Dixon. But it did not remain so very long.

People who came once came again and then they brought their friends, until now this store is one of the largest in Northern Illinois.

There isn't any secret of our success—it is just a matter of giving satisfaction to everyone who buys here. It doesn't matter whether you live in Dixon, Amboy, Polo, Ashton, Harmon or where you live we guarantee to satisfy you in every way or return your money.

The selling of clothes is more to us than just a business. It is our life work. We take just as much pride in fitting a young man in a suit of clothes as the greatest artist ever took in painting a masterpiece. And it is because of this that the clothes we sell look a little better, fit a little better, are a little better than the ordinary clothes.

Dramatic Notes

PRINCESS THEATRE.

The Princess will have a special feature picture for Friday night, called in Old Tennessee. It is a two-reel subject and deals with the romance and thrilling excitement of the life of the moonshiners, showing the remarkable work of a girl detective in the haunts of the law breakers. It is a love story, romantic and sublime, with unrivaled scenic effects.

OPERA HOUSE TONIGHT

It can be truly said of "The Thief" which will be seen at the opera house tonight with Marion Sherwood in the leading role, that it is one of the greatest plays ever written. It was written originally for Madame Simone and first produced in Paris where it produced a profound sensation. Haddon Chambers then translated it into English and it was played in New York by Margaret Livingston and was considered by many the greatest play ever seen in the country. So perfect was its construction and so logical were its situations that it is said that not one line of it is changed from the original manuscript.

FAMILY THEATRE

The McConnell Sisters, singing and dancing comedians, late of Ziegfeld's musical comedy, "The Girl in the Kimona," and Eggleston & Smith, in a high class musical act will be the bill at the Family for the last half of the week.

OLYMPIC—CHICAGO.

One of the most pronounced hits of the present dramatic season in Chicago is "The Man Higher Up," which has just entered upon its second week at the Olympic.

and week at the Olympic.

Political leaders of Chicago, men high in state politics and managers of campaigns have attended the play and declared it the greatest political drama ever written. The story of the boss who has risen to despotic power and turns reformer is one of strong human interest. The friend whose fortune he has made turns from him but the woman the friend has vainly loved turns to him. The plot of his powerful enemies fails and the boss, when defeat and ruin seem inevitable, carries the election and the heart of the woman he loves and all ends happily.

Miss Ellis has avoided exaggeration and caricature and has presented what practical politicians declare is a true picture of politicians and the inner workings of a political campaign. The versimilitude of the drama is greatly enhanced by the fine character work of Edward Ellis, the beautiful Janet Beecher, George Parker, Francis Byrne and others of the cast.

PIANO SALE ENJOYED

GOOD PATRONAGE

C. E. Jackson, a factory representative of the Cable Piano Co. is here and will remain during the finishing up of the Theo. J. Miller & Sons piano sale, which has enjoyed such gratifying patronage.

Mr. Jackson states that he is especially pleased with the progress of the sale and he is going to remain with the music firm the rest of the week to help them through the last

few busy days.

He advises all who desire a piano to take advantage of this great opportunity, for while the stock is considerably depleted there are many fine pianos yet to be had at factory prices. No prospective buyer can afford to stay away from this sale.

TAFT AT ANNIVERSARY

Is Guest at Altoona Celebration of Historic Council.

Parade of Veterans, National Guardsmen and School Children Held.

Altoona, Pa., Sept. 26.—Yesterday was President's and Governor's day at the Altoona celebration of the anniversary of the Loyal War Governors' conference held fifty years ago to consider the Civil War situation. President Taft and Governor Tener of Pennsylvania were the guests of honor.

United States Senator Penrose, members of congress and the descendants of several of the Civil War governors, who took part in the famous conference, helped in the celebration. Although the day was cloudy and rain threatened, the big feature of the day, a parade of Civil War veterans, National Guardsmen and school children, was not seriously interfered with.

Luncheon for the president and other guests was served in a room in the hotel in which at least one of the conferences between the loyal governors was held half a century ago.

After the luncheon the principal feature was a speech by the president in a big tent.

New York, Sept. 26.—The Evening World publishes an interview with President Taft in which the president goes at length into some of the current issues of the campaign.

The president promises a revision of the tariff on a scientific basis, so far as may be necessary to keep prices from being exorbitant. This may be done by the continuance of the tariff board's investigations into the facts.

MINERS SEEKING PEACE

Strikers in Utah Make Overtures for Conference With Mine Owners.

Bingham, Utah, Sept. 26.—The leaders of the 4,500 Bingham copper miners, who are on strike for higher wages, are continuing their efforts to bring about a conference with D. C. Jackling, general manager of the Utah Copper company. They admit that so far they have met with little encouragement, but say that they will continue these overtures so that if an amicable adjustment fails the fault will not be theirs.

WORKERS BURIED AS WALLS FALL

New Hotel Being Constructed in Kansas City, Mo., Collapses.

FALLING RUINS STOP RESCUE

Toppling Debris of Building Also Entombs Firemen Working to Save Injured Victims of Crash—Faulty Concrete Blamed.

Kansas City, Mo., Sept. 26.—Three workmen are buried beneath the walls of the new Alameda hotel, in course of construction at Tenth street and The Paseo, which collapsed when workmen were removing concrete forms that upheld the fifth and top floor of the structure. The concrete was laid last Saturday and the contractor believed it had "set" sufficiently to safely remove the forms that supported it.

Ten Buried Under Walls.

Ten men were buried under the walls, which fell in as soon as the floor sank. Seven of the number were taken out by rescuers. Two of the injured are probably fatally hurt. Capt. John F. Pelletier of the fire department declared he believed the three men beneath the walls were dead. The hotel was to have been a \$250,000 structure.

Thin Walls Caused Collapse.

"The crash was caused by 75 loads of cinders on the top floor," said Walter Davis, the owner. "When the forms and props were taken out, the weight was more than the unset concrete could carry."

"There weren't that many cinders on the roof," said George Siedoff, the concrete contractor. "The walls simply were too thin. There was no reinforced concrete in the rear wall and they naturally buckled in."

Walls Fall With Firemen.

Fifteen minutes after the west wall, which was the first to fall, collapsed, the south and east walls fell, carrying several firemen who were engaged in the work of rescue with them.

The firemen at eight o'clock asked Walter Davis to hire men to help clear the debris. Standing in the midst of falling bricks, his face covered with blood, Davis dramatically pulled a hand from his pocket and tendered the fire chief 35 cents.

"That's all I have, the last cent. Every dollar I possessed is tied up in that mass of timber and brick."

Reeling backward, Davis was caught as he fainted. He refused to leave the work of rescue, however.

HELD FOR \$190,000 FRAUD

E. A. Boggs of Waterloo, Ia., Arrested for Obtaining Funds From Banks.

Waterloo, Ia., Sept. 26.—E. A. Boggs, prominent church member and society man, who some months ago testified to having spent \$190,000 on an insignificant monument company in twelve months, it is alleged, the money was borrowed largely without security from banks, was arrested in Kansas City by the sheriff of Grundy county, Ia., and will be required to answer to five indictments returned by the grand jury of that county.

The indictments charge embezzlement and obtaining money under false pretenses.

WILL NOT FIGHT DIVORCE

John R. Early, the Leper, Fails to File Legal Answer to Case.

Tacoma, Wash., Sept. 26.—Indicating that he will allow the divorce action filed by his wife to go by default, John R. Early, the leper, who threw Tacoma in an uproar when he was found living near the city, has failed to file his legal answer to the case.

The charge of cruelty is made, the complaint alleging that Early would frequently commit acts of violence against his wife, endangering her health and making it impossible for her to live with him.

MAN AND DAUGHTER SLAIN

Wife and Mother of Dead Couple Is Fatally Wounded.

Wellington, Kan., Sept. 26.—Theodore McKnelly, a car repairer, and his daughter, Gretta, were found dead and Mrs. McKnelly probably fatally injured in a tent on the outskirts of Wellington, whither they recently had moved for the daughter's health. All three had been shot and their skulls crushed. Robbery is believed to have been the motive.

Yale Gets \$10,000 Gift.

Pittsburg, Pa., Sept. 26.—A gift of \$10,000 is made to Yale university in the will of Martha Fleming Byers, widow of Alexander M. Byers, died for probate. The money is to be invested and the income used to maintain the memorial at New Haven erected by Mrs. Byers to her son, Alexander M. Byers, Jr.

Suspends Rate Increase.

Washington, Sept. 26.—The interstate commerce commission suspending increases in rates over the Kansas City Southern railway from points in Missouri to points in Kansas until January 28 next.

GUARD ARCHBOLD ON OCEAN LINER

Standard Oil Magnate "Sick of Being Bothered" About Campaign Funds.

LEAVES EUROPE FOR HOME

Former Congressman Sibley Is in Sanatorium and May Not Testify—Committee Asks for Tobacco Trust Names.

Southampton, England, Sept. 26.—John D. Archbold, president of the Standard Oil company, is sick of being bothered about political exposures, he declared in the course of a brief interview here before sailing for the United States on board the Majestic. He declined to add anything further, and three men were placed on guard at the door of his cabin to keep off interviewers.

Mr. Archbold has been spending his holiday in the New Forest.

Sibley to Escape Inquiry.

Washington, Sept. 26.—Former Representative Joseph C. Sibley of Pennsylvania probably will not be called before the senate committee investigating campaign expenditures to explain letters he is alleged to have written to John D. Archbold, copies of which William R. Hearst has published. The committee has learned that Mr. Sibley is in a sanatorium in such poor physical health that his testimony would be of doubtful value. Mr. Archbold will probably reappear before the committee next week.

Tobacco Trust Names Asked.

Senator Clapp stated that no witnesses connected with the tobacco trust had been summoned, but officers of the retail dealers' association have been asked to furnish names of men whom they want questioned about campaign contributions.

Chairman Clapp has written Representative A. Mitchell Palmer of Pennsylvania, asking him to appear before the committee and furnish any information he has concerning his statement that campaign contributions had influenced the removal of Dr. David Jayne Hill as ambassador to Germany.

Colonel to Testify on Friday.

After a telephone conference with Oscar K. Davis of the New York Progressive headquarters, Senator Clapp announced that Friday, October 1, would be set by the senate committee investigating campaign expenditures for the appearance of Colonel Roosevelt. The hearings will begin next Monday, as had been planned.

BOYCE LETTERS ARE READ

Defense in Sneed Murder Case Introduces Them as Evidence.

Amarillo, Tex., Sept. 26.—Letters written by Al Boyce to Mrs. Lena Sneed, pledging undying love, urging her to obtain a divorce quickly and threatening to kill John Beal Sneed, her husband, on sight, were placed in evidence by the defense at the habeas corpus hearing in the Sneed case here. All of the letters are written in most affectionate terms.

Sneed for the first time was visibly affected by the identification of the letters. It is learned on highest authority from Calvert, Tex., where Mrs. Sneed now is, that she expects a visit from the stork in a short time.

CHINESE REBELS REPULSED

Federal Troops Engage Marauders Bent on Looting City.

Peking, China, Sept. 26.—The troops encamped outside the gates of Wu Chang, capital of the province of Hu-Bei, repulsed and attacked the city. The troops numbered several hundred and were composed for the most part of cavalry.

A strong force of Gen. Li Yuen Heng's regiment immediately engaged the rebels, and after several hours of fierce fighting dispersed them. The casualty list is not known, but two officers were executed for failing to divulge their knowledge of the movement. It is believed that the attacking party only intended to loot the city.

VOLCANO IS IN ERUPTION

Mount Wrangell Is Reported to Be Throwing Out Much Lava.

Seattle, Wash., Sept. 26.—Mail advices from Valdez, Alaska, say Mount Wrangell, the most widely known of the smoking volcanoes of Alaska, again is in eruption. Lieutenant Crosser of the signal corps, who returned to Valdez, reported that Mount Wrangell was throwing out large volumes of smoke and lava.

From Kotsina it is reported that the sulphurous fumes are so strong that prospectors working near Kotsina glacier have been driven out.

Reeve Is Acquitted.

Chicago, Sept. 26.—Thomas L. Reeve, charged with attempting to kill Dr. Paul E. Kelly, was acquitted. Reeve shot and severely wounded Kelly, charging intimacy between the doctor and Mrs. Reeve. He testified that Dr. Kelly kept him out of his own home through use of quarantine regulations while the physician was making love to Mrs. Reeve.

NEWS OF ILLINOIS

A Telegraphic Chronicle of State Happenings.

BANKERS' MEETING IN PEORIA

Members of the Illinois Association to Fight Closes Supervision of Their Institutions by State or National Authorities.

Peoria, Sept. 26.—Nearly one hundred private bankers went into the convention of the Illinois Bankers' association to fight closer supervision of their institutions by state or national authorities.

President B. F. Harris of Champaign in his annual address strongly recommended adoption of the plan recommended by the private bankers' organization.

"A few of the uninformed or otherwise claim that supervision does not reduce failure," said President Harris, "but over any period of years since the war statistics show that private bank failures are five to one compared with the supervised banks and the losses estimated on that basis."

Meeting Opens in Cairo.

Cairo, Sept. 26.—The sixty-first session of the Southern Illinois conference of the Methodist Episcopal church was formally opened with sacrament of the Lord's supper by Bishop Charles W. Smith. The number of ministers and under-graduates present at the conference reaches nearly 200. This is the second session ever held in Cairo. The first session was held here forty-one years ago. There are only four pastors living, all of whom are in the city to attend the sixty-first conference, who attended the one held here forty-one years ago. They are Rev. C. W. Sabine of Murphysboro, Rev. J. A. Scarrett of Alton, Rev. S. P. Groves of Nashville, and Rev. J. B. Ravenscroft of Brighton. All have been re-elected with the exception of Rev. Groves.

Start Trip of Inspection.

Champaign, Sept. 26.—The advisory committee of soil investigation of the college of agriculture of the University of Illinois started on their trip of inspection through Illinois. They inspected the agricultural college, the experimental fields and the laboratories in Urbana. They also visited at Oblong. The committee will visit Odell, Lebanon and Macomb. The plant for grinding limestone at the Chester penitentiary will be inspected. The committee will also inspect the fields at Carlinville and Bloomington.

Says Caution Would Save Millions.

Springfield, Sept. 26.—One-half of the \$11,000,000 fire waste in Illinois could be prevented by proper caution, declared Secretary of State Doyle, in his address at the annual convention of the National Firemen's association here. Conservation, restrictions in building and enforcement of the fire limit laws are suggested for the prevention of fires. Mr. Doyle was formerly state fire marshal.

Sixtieth Wedding Anniversary.

Mount Carmel, Sept. 26.—"Uncle Jim" and "Aunt Sally" Beesley, living ten miles north of here, celebrated their sixtieth wedding anniversary in the same farmhouse where they were married. There were more than 300 guests present, and among them were twelve people who were guests at the wedding. Both are in good health and expect to celebrate their seventieth anniversary ten years hence.

Explosion Frightens Child to Death.

Springfield, Sept. 26.—Dora Daugh, seven years old, daughter of Mr. and Mrs. Jerry Daugh of Dawson, was frightened to death by an explosion caused by spontaneous combustion in a sack pile at a coal mine. When the explosion occurred the girl became unconscious and died before a physician arrived. Her companions, who were playing with her, were not injured by the explosion.

Diphtheria Epidemic Feared.

Springfield, Sept. 26.—The state board of health received notice of an epidemic of diphtheria at Barclay, Kankakee county. It is reported that a large number of residents of the village are suffering from the affliction, and an inspector will be sent to co-operate with the local board of health at that place.

Goods Found in Raids.

Centralia, Sept. 26.—Several hundred dollars' worth of goods were found by the officers as a result of raids. Sheriff Vursells of Salem and Illinois Central detectives visited Junction City and there found in the home of Barney Perona several bolts of silk, dozens of pairs of shoes and other merchandise.

Deneen Boosts State Fair.

Springfield, Sept. 26.—An appeal for patronage of the Illinois state fair was contained in a proclamation made public by Governor Deneen. The governor recommends the fair, which opens October 4, to all agricultural interests.

Breaks Head With Melon.

Kewanee, Sept. 26.—George Rodich quarreled with Frank Porovsky and hit him on the head with a watermelon. It fractured his skull.

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, sterile extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrapper. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a cheap nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

18th YEAR IN DIXON DR. PRETTYMAN

For over 17 years Dr. Prettyman has been coming to Dixon over four weeks. What he has accomplished in the time is a matter of history suffice it to say it has made him a reputation that no other specialist has ever attained nor can hope to attain in this vicinity.

His Work Speaks for Itself

The doctor keeps abreast of the times by devoting all his spare time to clinical work in the Chicago hospitals. He is not content to rest on laurels already won but he is on the alert for anything and every thing that will assist him in diagnosing and treating many cases that come before him. In 1909 he had special work in hospitals of London and Edinburgh and is enthusiastic over the results attained.

You Can Depend Upon Him

Others can come and go but Dr. Prettyman continues his visits regularly and does as he agrees in every case. In employing him you are assured not only the best results but that he will be here for years to come.

Dr. Prettyman.

Washington Hears U. S. Men Were Slain in Nicaragua.

Navy Department Anxiously Awaiting Report of Battle in Republic.

Washington, Sept. 26.—Until a late hour last night officials of the state and navy departments anxiously awaited confirmation of the report that twenty-five marines guarding property at Leon, Nicaragua, had been slain in a battle with the revolutionists, in which forty of the latter were killed.

The officials pointed out that Leon is less than fifty miles from Managua, where a large force of marines are stationed, and has been in constant communication with the latter city.

The fact that the report of the fight comes from San Juan del Sur, which is much further from Leon than Managua or Granada, has made them doubt the report.

The last report from the forces in this territory indicated that both Managua and Granada were tranquil and no trouble was expected. The railroad is open into Granada and Rear Admiral Southerland, according to the dispatch, is preparing to start at once to that city.

All steamers on Lake Managua which were turned over to the United States marines by the revolutionists have been manned by bluejackets and are efficiently protected.

Artist Struck by Auto.

Syracuse, N. Y., Sept. 26.—Fernando A. Carter, director of the Syracuse Museum of Fine Arts and one of the best known artists and critics in America, was struck by an automobile and probably fatally injured. Physicians have little hope for his recovery.

Unveil Draper Statue.

Milford, Mass., Sept. 26.—The tribute of his home town to the memory of the late Gen. William F. Draper was paid when an imposing equestrian statue of the soldier and statesman was unveiled with interesting exercises.

TO AILING WOMEN

A LITTLE SOUND ADVICE WILL HELP MANY A SUFFERER IN DIXON

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off in the secretions when the kidneys are well, are retained in the body when the kidneys are disordered. If the kidneys and bladder become inflamed and swollen worse troubles may quickly follow. This is often the cause of bearing-down pains, lameness, backache, etc. Uric poisoning is also frequent cause of headaches, dizzy spells, languor, nervousness, and rheumatic pains.

When suffering so, try Doan's Kidney Pills, remedy that has proven effective in thousands of such cases. Let a Dixon woman tell of her experience.

Mrs. F. E. Self, 1009 Highland Ave., Dixon, Ill., says: "The use of Doan's Kidney Pills has been very beneficial to me. I am glad to recommend this remedy for kidney trouble and backache."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask DISTINCTLY for DOAN'S KIDNEY PILLS, the same backed by home testimony. 50c, all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

HOTEL WALLS TUMBLE

NEW STRUCTURE IN KANSAS CITY COLLAPSES.

Three Workmen Are Dead and a Like Number Are Buried Beneath Debris.

Kansas City, Mo., Sept. 26.—Three men were killed, three negroes are known to be in the debris and undoubtedly are dead, and four others were injured when the west part of the roof of the new five-story hotel building, the Alameda, being constructed by Walter M. Davis, collapsed under the weight of 100 tons of cinders, and crashed through all of the floors to the basement, carrying the workmen with it.

The dead: William McBride, foreman of the bricklayers. Oliver McBride, bricklayer. Robinson C. Baughman, bricklayer. The injured are: William M. Davis, owner of the building. Pink Jones, James Wiley and Abe Morris, negro plasterers.

CHINESE TROOPS IN MUTINY

Attack City of Wu Chang, But Are Repulsed by Loyal Soldiers.

Peking, China, Sept. 26.—The troops encamped outside the gates of Wu Chang, capital of the province of Hu-bei, mutinied and attacked the city. The troops numbered several hundred and were composed for the most part of cavalry.

A strong force of Gen. Li Yuen Heng's regiment immediately engaged the rebels, and after several hours of fierce fighting dispersed them. The casualty list is not known, but two officers were executed for failing to divulge their knowledge of the movement.

IN BANKRUPTCY

In the matter of C. G. Smith and Fred M. Smith, individually and as partners under the name and style of C. G. Smith & Son.

BANKRUPT

Public notice is hereby given that in pursuance of an order made and entered by Henry S. Dixon, Referee in Bankruptcy, on the 11th day of September, 1912, I, William G. Kent, Trustee of the Estate of the above named bankrupt, will, on Monday, October 14th, A. D. 1912, at ten o'clock a. m., at the north front door of the Court House in the City of Dixon, Lee County, Illinois, sell at public auction to the highest and best bidder certain real estate and other property belonging to the estate of the said bankrupts hereinafter described.

The property to be offered for sale is described as follows:

1. Lot Number Four (4) in Block Number One (1), in Roselawn, a Sub-division of a part of the Northwest Quarter (1/4) of Section Thirty-two (32), Township Twenty-two (22), North, Range Nine (9) East of the 4th P. M. in Lee County, Illinois, and other lands, according to the plat of said Roselawn, recorded in the Office of the Recorder of said Lee County, in Book "A" of Plats, page 80.

2. All book accounts and accounts receivable of the said bankrupts.

Terms of Sale: 50 per cent of the amount bid to be paid in cash on the day of sale and the balance on confirmation of the report of sale by the Court.

Dixon, Illinois, September 11, A. D. 1912.

The Cure.

Miss Fay Templeton, at a supper at the Ritz-Carlton in New York given in honor of her return to the stage, praised the American business man.

"I have only one fault to find with him," she said. "He works too hard. Hence, of an evening, he is sometimes a little dull."

"But intelligent wives can soon cure their husbands of overworking. I know a wife—she and her good man are in Egypt now—who came down to dinner one night in a somber black robe."

"Her husband—a frightfully over-worked millionaire—looked at her costume and exclaimed:

"Why on earth, my love, are you wearing a dress like that? It's positively half-mourning."

"Of course it's half mourning," she replied. "When you come home from the office, don't you always complain that you're half dead?"

Perils of Sea Service.

The submarine branch of the navy has undoubtedly risks and dangers of its own, as the sad tale of previous disasters plainly shows; and when a catastrophe such as took place recently unhappily occurs it is of a nature to make a profound impression upon the public. But in relation to the number of submarines in commission, and to the constant exercise they undergo, the picked officers and men who serve in them do not incur a risk out of all proportion greater than their comrades in other branches. Danger and risk are no peculiar prerogative of the submarine; they form the very foundation of naval character, and are a pledge, in no small degree, of the security upon which as a nation we repose.—London Times.

New Musical Instrument.

A musical instrument new to English audiences was heard at Queen's Hall, London, recently, when the London Symphony Orchestra presented a Russian program. The timpanito, which was used in one of Ivanoff's "Caucasian Sketches"—consists of two earthenware jars of different sizes, bound together by thongs. Over their mouths is stretched a skin which is beaten with light wooden drumsticks, producing a sound like a child's rattle and a drum combined.
